Convenient care at your doorstep

We make it easy to get 90-day refills of your prescription.

You can choose to pick up your prescription at a selected participating provider in person, or some providers may offer home delivery for a nominal fee. Your selected participating mail order provider will offer shipping options, including free or expedited delivery.

If you're already filling your prescription at a retail location, you can check and see if the provider is a selected participating provider that can fill 90-day fills, and the provider may assist in transitioning you to a convenient 90-day fill.
